# WELCOME TO THE HOLMES 43.3

HORSESHOE BRAKE IS AN OLD OXBOW LAKE WHERE THE MISSISSIPPI DELTA MEETS THE HILLS, AND THIS 43.3± ACRE TRACT SITS ON ITS WEST END. The Holmes County property features roughly 20± acres of mature cypress running through the center, with open areas on the north and south sides scattered with cypress and tupelo gum—ideal for hunting from any wind.

With some cleanup and planning, this place could be shaped into a solid small-acreage duck hole. The Brake holds plenty of duckweed and aquatic vegetation, a good draw for gadwalls, wood ducks, and the occasional mallard during the winter months.
