Prime 120.57± Acre Development Site Lancaster, CALIFORNIA 93535 For Sale or Lease

- This rare **120.57± acre opportunity** offers unmatched development potential along Avenue J, one of Lancaster's busiest and most visible corridors. Located at the southeast corner of Avenue J & 70th–75th Street East, the property sits adjacent to the **Lancaster Clean Energy Center** and within reach of key commercial, industrial, and residential growth zones.

- **Property Details:**

- **APN 3384-009-001: 80.15± acres**
- **APN 3384-009-006: 40.42± acres**

Key Features:

- **High-visibility frontage** on Avenue J, the major corridor to downtown Lancaster.
- **Turnkey water system** with newly drilled 580' well, 150 hp Flowise Pump & Emerson Motor.
- **Exclusive power supply** via five SCE utility poles dedicated to the parcels.
- **Water rights in perpetuity:** 50 acre-feet/year (with an additional 500 acre-feet of carryover production available).
- **Flat, organic, and unobstructed land** – ideal for immediate development.
- **Flexible zoning:** Currently, zoned for Research and Development, Rural Residential, and Contractor Storage Yards, with the following permitted with a CUP: Alternative Energy, Building and Related Trades, Distribution, Light Manufacturing, Vehicle and Equipment Repairs, Food Manufacturing, Processing, Wholesale Sales and Storage, and Warehousing.
- **Potential Uses:** All business activity that the Lancaster Development Services Director deems to be consistent with the purpose and intent of the above zoning will be permitted. This might include medical campuses, universities, technology hubs, sports and recreation complexes, concert venues, light aviation facilities, government services, or agricultural facilities.
- **Proven business presence nearby:** Campbell Fresh (Campbell Soup Co.) has maintained ownership next door since 1985.
- **Investment Advantage** With secure water rights, dedicated power infrastructure, and exceptional location, these parcels represent one of Lancaster's premier large-scale development opportunities. Whether for energy, industry, healthcare, or community services, this site is well positioned to support transformative projects that meet both local and statewide demand.
