# MORE ABOUT ASHBROOK ISLAND HUNTING CLUB

This share includes a well-maintained 2012 Legacy mobile home camp featuring three bedrooms, two bathrooms, and approximately 2,048 square feet of living space. The camp was constructed two feet above the 2011 flood level and offers comfortable accommodations for family and friends. Additional improvements include a spacious front porch, an enclosed storage shed for hunting equipment and gear, and a 2024 26kW whole-home generator to ensure reliability and comfort year-round.

Ashbrook Island's shared amenities are designed to enhance the club experience. Members enjoy access to a commercial kitchen and dining hall, providing a central gathering place for meals and fellowship. The dining also includes a new skinning shed and walk-in cooler, making game processing convenient after a successful hunt.

For the hunter, the hunting opportunities are exceptional. The Mississippi River Bottoms are renowned for producing trophy wildlife, and Ashbrook Island is no exception. Members enjoy outstanding populations of whitetail deer, wild turkey, hogs, and small game, with deer harvested on the property reaching into the 180 class. Both bow and gun hunters will appreciate the quality habitat, established food sources, and numerous hunting stands already in place throughout the property.
