

Proposed Restrictions

- Property shall only be for single family residential use only. Density shall be limited to no more than 2 homesites per 10 acres. Mobile homes and/or trailers may not be used for permanent residential purposes. Campers are allowed as temporary housing for maximum of 18 months during construction of a primary residence.
- Property shall not be used for a junkyard or disposal yard for waste and debris.
- No commercial or retail businesses other than home-based businesses and those related to agricultural production and sales are allowed. Any business related to the manufacturing or sale of fireworks, even as a home-based business, are strictly prohibited.
- Livestock must be fenced.
