# WELCOME TO LOST LAKE

**WELCOME TO LOST LAKE, A PREMIER 263.1± ACRE RECREATIONAL PROPERTY LOCATED IN TUNICA COUNTY, MISSISSIPPI, IN THE HEART OF THE MISSISSIPPI FLYWAY.** Just minutes from the Mississippi River and surrounded by thousands of acres of productive Delta farmland, this professionally managed hunting property offers exceptional duck hunting, trophy whitetail deer, wild turkey, and long-term conservation value.

The farm has been carefully developed as a turnkey hunting operation with three established duck blinds, multiple deer blinds, four gravity feeders, and an extensive water management system. A dedicated well, powered by a propane pump, supplies more than five duck holes through steel water-control structures with adjustable risers, allowing water levels to be managed throughout the hunting season and easily drained for planting.

# MORE ABOUT LOST LAKE

Approximately 100 acres consist of mature bottomland hardwoods with a heavy concentration of mast-producing oaks that provide outstanding wildlife habitat, bedding cover, and turkey roosting areas. An additional 140± acres of mixed hardwoods planted approximately 13 years ago create excellent browse, transition cover, and future timber value. Established food plots are strategically positioned throughout the property to support both deer and waterfowl.

The surveyed property includes approximately 261 acres enrolled in the Wetlands Reserve Program (WRP), providing permanent habitat protection while preserving outstanding recreational opportunities.

Lost Lake has consistently documented a healthy deer herd with mature bucks, while the property's location along the Mississippi Flyway provides dependable waterfowl hunting year after year. The combination of hardwood timber, managed wetlands, food sources, and neighboring agricultural fields creates ideal habitat for ducks, deer, and turkey.

**Contact Shane Martin or Wilson Britt for more information
