# WELCOME TO THE BALDWIN 124

IF YOU ARE LOOKING FOR LARGE ACREAGE IN CENTRAL BALDWIN COUNTY, ALABAMA, AT A PRICE THAT WON'T BREAK THE BANK, THE BALDWIN 124 MAY BE THE ONE. This 124± acre property, located centrally between Daphne and Loxley, has frontage on both sides of the upper section of the Fish River as well as Corn Branch, which are both very scenic creeks with multiple swimming and fishing holes.

The woods are a mixed pine and oak forest that has been untouched for years. The Baldwin 124 has been under the stewardship of the South Alabama Land Trust (SALT) and will be protected by a conservation easement for the purpose of protecting the sensitive wetland habitats and limiting future development.
