The Residence

2,442± Sq Ft

Waterfront living awaits at 108 Martinique Drive in the sought-after Lake Caroline community! This beautiful 3-bedroom, 2.5-bath home offers approximately 2,442 square feet of comfortable living space, along with a versatile upstairs bonus room that could serve as a fourth bedroom, home office, media room, or playroom. Inside, beautiful heart-pine floors flow throughout the main living areas. The spacious great room features high ceilings, attractive architectural details, and a gas-log fireplace. The kitchen is equipped with granite countertops, stainless steel appliances, a gas cooktop, double ovens, a breakfast bar, and generous cabinet and pantry storage. The primary suite includes a spacious bath with double vanities, a soaking tub, a separate shower, and a walk-in closet. Two additional bedrooms, a full guest bath, a half bath, and a convenient laundry room complete the main level. One of the home's most inviting features is the large screened porch overlooking the peaceful waters of Lake Caroline—the perfect setting for morning coffee, evening relaxation, or entertaining. The lake-fed irrigation system helps maintain the landscaping, and a whole-house water filtration system was installed in June 2023. Additional highlights include a two-car garage with an oversized storage room, rain gutters, and a beautifully landscaped yard.
